

65th Reunion—Class of 1943

Dear Classmate,

It's coming: our **65th reunion, June 5–8, 2008!** Put it on your calendar and plan to attend. Once again the Northfielders will join the Hermonites in all activities, and, as you can see from the enclosed information, there will be much to do.

We will be housed in O'Connor, the school health center, where everything is on one floor. Another perk is the many golf carts that are available to transport us from place to place. The drivers are delightful young students who are willing to show us around campus too. We will be well cared for!

As mentioned before, if you come on Thursday night, there is no extra charge, and you'll be ready to go to everything on Friday. Also, we will be guests of the school for the dinner on Saturday night, which will be in the East Dining Room of Alumni Hall (formerly known as West Hall.)

We hope you can make it because it will be a lot of fun.

“May the Lord bless you and keep you...”

Sincerely,

Class of 1943 Reunion Committee
