

Dear Classmates of '48,

How many times over the last 60 years have you thought of Northfield Mount Hermon? Have you ever wondered about the friends you made and wished you could see them again? Did you ever ask yourself if the view down the valley from both chapels is just as lovely as it was back then? Have you ever said, "Someday, I'll go back?"

"Someday" has arrived, and it's time to make plans to return to campus June 5–8, 2008, for a glorious four days of getting together with classmates to reminisce, catch up, brag about grandchildren, and enjoy the beauty of NMH once more. We've planned a great weekend, from the Thursday wine-and-cheese party at Nan Dearborn Knipe's home near campus to the final "Northfield Benediction" at Sunday's service. In between you'll learn about NMH today, look back at "our" school, attend seminars, eat great food, march in the alumni parade, sing much-loved hymns, enjoy a special reception and dinner as guests of the school, and—since reunions are all about people—you'll share this time with those who shared your school years.

All details are enclosed, and we hope you'll call and urge an old friend or roommate to join you. We'll be housed in MacKinnon Cottage, a lovely new dormitory complete with elevator for those who played a bit too much golf or tennis. The course at the Northfield Golf Club will be available to us all weekend. One note for those arriving on Thursday:
the cost of the party and dinner at Bella Notte in Bernardston will be collected when you arrive on campus.

Sixtieth reunions are very special. We promise we'll celebrate in a very rewarding way...together. Come home to Northfield Mount Hermon in June. We'll be there, waiting to greet you.

Cordially,

Jan Hibbs Testa and Charlie Kellogg
