

Dear '73 Classmate,

Our 35th NMH reunion is just around the corner! Come join your classmates **June 5–8** for a weekend of fun in the place where we lived and learned together more than three decades ago.

On-campus housing will be in Manchester, also known as Cottage V—a great dorm because of its central location. Alumni Hall (formerly West Hall), where we'll have most of our meals, is just up the path. We'll also have a tent set up outside our dorm to provide overflow room to visit and gather throughout the weekend. Space is limited, so if you want to be in the dorm with your friends, register early!

For those who register for campus housing and choose to come early on Thursday, lodging that night at NMH is free. Some of us will hike up Mount Monadnock, while others may play golf at the Brattleboro Country Club. Or you can choose to relax in the dorm, take a nostalgic walk around the Northfield campus, or just drink in the views. We'll meet at Alici's Bistro in Brattleboro that night for dinner (Dutch treat).

Friday's highlights include bicycling, golf, Alumni College, afternoon reception at Ford Cottage with Head of School Tom Sturtevant, dinner with our class at Alumni Hall (we'll have our own tables), Hymn Sing at Memorial Chapel, and, later, our own coffeehouse at Beveridge featuring our favorite musicians, Pierce Campbell, Greg Burrill, Joe Klein, Jamie Voos, and David Torrey.

Saturday will offer something for everyone: swimming, walking, tours of the new Rhodes Center for the Arts, the alumni artists exhibition. We'd like to have a short ecumenical memorial service for our class; if anyone would like to help plan this, please get in touch with Betsy. Dinner for our class will be a cookout under the tent outside our dorm, where we'll continue a new tradition with the second installment of the "Keep on Truckin'" awards. After dinner we can dance to an alumni rock 'n' roll band, the Prescription, and watch David Torrey perform with others at the alumni cabaret.

No matter where you are in your life, please come back for our 35th reunion. Bring the kids! Call an old classmate and plan to meet up! We each have an updated class list, if you need a phone number or address. Log on to the NMH website, [www.nmhschool.org](http://www.nmhschool.org), to register your e-mail address and, after April 1, to see who else is coming to reunion. If you think you're the only one going through a midlife crisis, think again, and come share your story with the rest of us. We'd love to see you again!

Your 35th-reunion cochairs,

Johnny Lazarus
