

NORTHFIELD MOUNT HERMON SCHOOL

Office of the Dean of Students

Summer 2007

Dear Parents and Guardians,

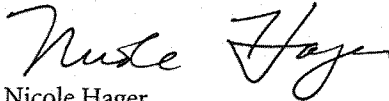

We are busy preparing for your child's arrival and would appreciate your help in providing some important information. Please complete and return these forms (including the signed copy of this letter) in the envelope provided as soon as you can. Included at the front of this packet are four important documents that I ask you to read carefully and sign. They are as follows:

1. Weekend Permissions and Release Form
2. Description of Off-Campus Programs and Release Form
3. Visiting Hours Permission
4. Automobile Permission

Your "home copy" of the *NMH Handbook* is also enclosed (students will receive their own copies of the school handbook when they arrive in the fall; this copy is meant to be kept at home for your use). You and your child should take the time now to read the school handbook carefully and discuss its contents. It is important that all members of the NMH community have a common understanding of the school's standards and expectations for students' behavior. Students are bound by the rules and expectations described in the school handbook; they are, therefore, required to sign and return this sheet to acknowledge that they have read and understood them. ***We also believe that the support of parents and guardians for our rules and policies is essential, so we ask that you also sign this form acknowledging that you have read and understand the rules that apply to members of the NMH community.***

I look forward to seeing you at NMH this fall.

Sincerely,

Nicole Hager
Dean of Students

I have read the rules and policies in the *NMH Handbook* and will abide by them. By signing this form, I release and will hold the school and its employees harmless from any liability that might result from my participation in the programs described in the *NMH Handbook*.
