FOR RETURNING STUDENTS

Boarding students may not bring cars onto campus, and students and families may not keep cars in the vicinity of campus for student use.

This permission is granted for occasional day trips and weekend travel. I am aware that my son/daughter is subject to all school rules and I understand the guidelines for cars and driving permission as published in the *Northfield Mount Hermon School Handbook*, 2008-09. These guidelines are as follows:

Cars and Driving Permission: Bringing a car on campus is considered unacceptable behavior and makes a student liable for disciplinary action. Boarding students may not drive cars while on campus, except when accompanied by parents. Boarding students may ride with day students only for off-campus trips and only with special parental permission. These regulations are in effect whenever school is in session, on both weekdays and weekends. To leave campus by car, students must sign out. Violation of these regulations may result in disciplinary action. Boarding students may ride in a car with a member of their family, a member of the faculty, or a person specified by their parents on a permission form.

For ninth-grade students only: Ninth graders are not allowed to ride in cabs or to travel off campus in public transportation until after Fall Family Days. A student needs permission from his/her parents to do so thereafter. Please indicate your permission below. This permission and Release of Liability will remain in effect for the 2008-09 school year.
