Summer Session 2018

Superior Academic Preparation | Credit Opportunities | ESL

Each summer, we gather as a community to engage in challenging academic work and to learn from one another in different ways. Students come to Northfield Mount Hermon from many places and backgrounds; in the more than 100 years since the summer session's beginning, we have welcomed students from 126 countries and all 50 U.S. states.

Students in our **Rising Scholars Program** enroll in two courses. Our **College Prep Program** is unique in that students engage in intensive study of one subject; many of these courses complete a full year's study, and possibly earn credit, in just five weeks.

We invite you to learn more about NMH Summer Session and join us in 2018 for what will surely be a life-changing experience.

Apply today: nmhschool.org/summer

Tuition and Fees

Boarding: \$8,400 Day: \$3,000

The above tuition and program fees (U.S. funds) for boarding students cover:

- Tuition for all major and minor courses and sports (except additional fees noted in course descriptions)
- Meals and housing
- Medical services at NMH's health center
- Bed linens, towels, pillows, and blankets
- Weekly laundry service

See nmhschool.org/summer for details about additional fees and expenses.

Application and Financial Aid Deadlines

Students not applying for financial aid:

There is **no application deadline**. However, students are encouraged to apply early since enrollment in each course is limited. As soon as a student's file is complete, it is reviewed and the student is notified of the decision.

Students applying for financial aid:

NMH Summer Session offers need-based financial aid to eligible students. Complete application and financial aid materials must be received by our office **no later than February 15, 2018**. Admission and financial aid decisions are emailed to families by March 15.

Northfield Mount Hermon Summer Session

Grow.

Students discover new skills, confidence in themselves, and friendships with peers from around the world.

Earn credit.

Many courses pack a full year's study into an intensive, exciting five-week program, and credits from NMH Summer Session are accepted at many schools.

Play.

Opportunities to participate in sports, trips, and other activities are plentiful.

June 30–August 4, 2018
